*Basic technical support free for 90 days only

© 2010 NETGEAR, Inc., NETGEAR, the NETGEAR Logo, and Connect with Innovation are trademarks and/or registered trademarks of NETGEAR, Inc. and/or subsidiaries in the United States and/or other countries. Other brand names mentioned herein are for identification purposes only and may be trademarks of their respective holder(s). Information is subject to change without notice. All rights reserved.

This product is packaged with a limited warranty, the acceptance of which is a condition of sale. This product has been tested for quality assurance and this product or its components may have been recycled.

*Basic technical support provided for 90 days from date of purchase.

†Actual data throughput and data over distance will vary. Network conditions and environmental factors,including volume of network traffic, building material and construction, and network overhead, result inlower actual data throughput rate. NETGEAR makes no express or implied representations or warranties about this product's compatibility with any future standards.

Outlets must be electrically connected in order for Powerline devices to provide a network connection between them.

[1] Requires use of HomePlug AV compatible Powerline device (two XET1001 devices included).
